How to Transfer Progress in EdisonLearning eCourses

If a student needs to continue progress in an eCourse and their grades need to be transferred from one eCourse section to another, an advisor will need to individually transfer the grades into the new course section.

Navigate to	o eSchoolware
Navigate to and/or prin	o the old gradebook for the student via Enrollment History and save nt the document.
Enter the r	new gradebook for the student's eCourse section
